

Worship Time is like having your very own worship team at your command. The Sing-Along format is perfect for small group fellowships, Sunday school classes, home Bible studies, family sharing, or personal devotions. This unique package gives any group leader the tools needed to lead in worship.

Each Worship Time release contains four carefully planned medleys of the most popular praise and worship songs, selected and paced to provide a meaningful flow to your group or personal worship experience. Worship Time is recorded in Maranatha's "Split Track" stereo format, allowing you to control the level of vocal accompaniment or full instrumentation to fit your own needs, simply by adjusting the balance control knob on your stereo.

The companion Worship Time songbook contains the lyrics and guitar chords for all of the songs found in Volumes 1, 2 & 3 of the Worship Time audio collection, in an easy to Play-Along/Sing-Along format.
