2. 陳恩明牧師証道

"Dear Heavenly Father, Since there are pressures in work, school, family, and peers to deal with, But God, would You come and reveal the Truth, the Truth that in Your eyes, we are precious, and fearfully and wonderfully made... I pray that You would free those people tonight that have been believing and holding in their hearts that they are somehow less, know them how beautiful they really are. I pray that You would touch their hearts, to give a better way in life—Yourself. Amen."
